We offer a complete service for Sea cargo and freight shipping.

Upon request we can organise and provide the moving of **freight and cargo from Kathmandu** to any destination, via Bangkok or Singapore.

Our dedicated team of professionals can offer their expertise and experience in arranging a complete range of **import and export** Sea Services to any port location in the world.

Eagle Export Cargo have provided services for many years, to and from Kathmandu, for most types of cargo commonly moved around the world today. Our range of services include:

- **Full Container (FCL).**
- **Part Container (LCL).**
- **Out of Gauge.**

Complimented by a keen price tariff that includes Inland Charges, **Freight** and Ancillary rates, Eagle Export Cargo becomes your first choice for your Sea Freight requirements in Nepal.

We are associated with some of the world's largest **international carriers**. Working closely with them, we are able to offer competitive freight rates, combined with dependable sailing schedules to and from most major ports in the world. Our Customs department will assist you in moving your **Sea**

Freight Shipment

to its destination seamlessly and without stress. Our 'No Fuss/No Hassle' logistics management promise ensures that your goods are moved in the best possible time, and in the most cost effective manner.
